*Peace terms every man
should make NOW!*

The war is still on . . . and will be for some time to come.

But right now—before the war ends—every man in America has an unprecedented opportunity to make terms with himself for his own peace . . . his peace of mind.

Now, as never before, a man should look at tomorrow and say, "How can I best prepare for some unforeseen emergency which might affect my family?"

And now, as never before, every man in America has a chance to answer these ques-

tions—an opportunity to provide for the future.

That opportunity is War Bonds. No doubt you are buying War Bonds through the Payroll Savings Plan. Arrange to buy more War Bonds. All you can afford.

What's even more important—don't cash in those War Bonds before they mature.

Now is the time to make your plans for peace of mind. It's something you owe yourself . . . owe your family. Buy War Bonds and hold onto them!
